

What are YOU doing with Your Yard Waste?

Compost Connection, Inc. has been servicing the metropolitan area since 1992. Our year round curbside yard waste service is for grass clippings, small bundles of brush and leaves. All products collected are recycled at licensed compost facilities.

All programs are collected on the same schedule—weekly from April—November, three times in December, one time in January and February and twice in March. We do not pickup the week of July 4th or the week of Thanksgiving. We work all Monday holidays so your pickup day does not change during the year. Weeks with no collection are noted in gray on the calendar you receive.

All brush must be bundled in 18" x 36" bundles and tied with rope or twine. Maximum bag size for grass and leaves is 39 gallons and 50 pounds. Since all materials are taken to a compost facility we do not accept ANY trash. Please close all bags and do NOT use plastic or duct tape on paper bags or bundles.
