

CREEKMOOR POA NEWSLETTER

October 2026

POA News and Updates

Summer at Creekmoor has come to an end and the community pools have closed for the season. I hope you were able to get out and enjoy the extended pool season this year

Reminders

All trash cans must be returned to indoor storage directly following trash service day for the community (Monday). Containers may not be stored outdoors and must be brought inside following trash pick up. Your neighbors will appreciate your attention given to this matter.

Home Improvements

As we enter the fall season, I wanted to share a reminder on improvement projects you may have planned for your home. Any improvement to the exterior of your home or on your property must be approved by the ARC prior to the start of the project. Example projects are painting your home, staining your fence/deck, patio additions, etc. Applications are available on the POA website or you can stop by the POA office and pick one up.

We are excited about what the fall has in store at the POA!

GOLF SHOP NEWS

October 2026

Congratulations to Jerry Houchell!

Please Join us in congratulating our First Assistant, Jerry Houchell, on a fantastic personal achievement! On Saturday September 19th, Jerry was officially inducted into the High School Hall of Fame at his alma mater, Troy High School in Troy, Ohio. We are incredibly proud of Jerry and grateful to have his talent and leadership on our team!

Superintendent's Revenge

We are excited to host our annual Superintendent's Revenge Golf Tournament this November! Stay tuned - we will be announcing the official date in the coming weeks.

Upcoming Fall Operations

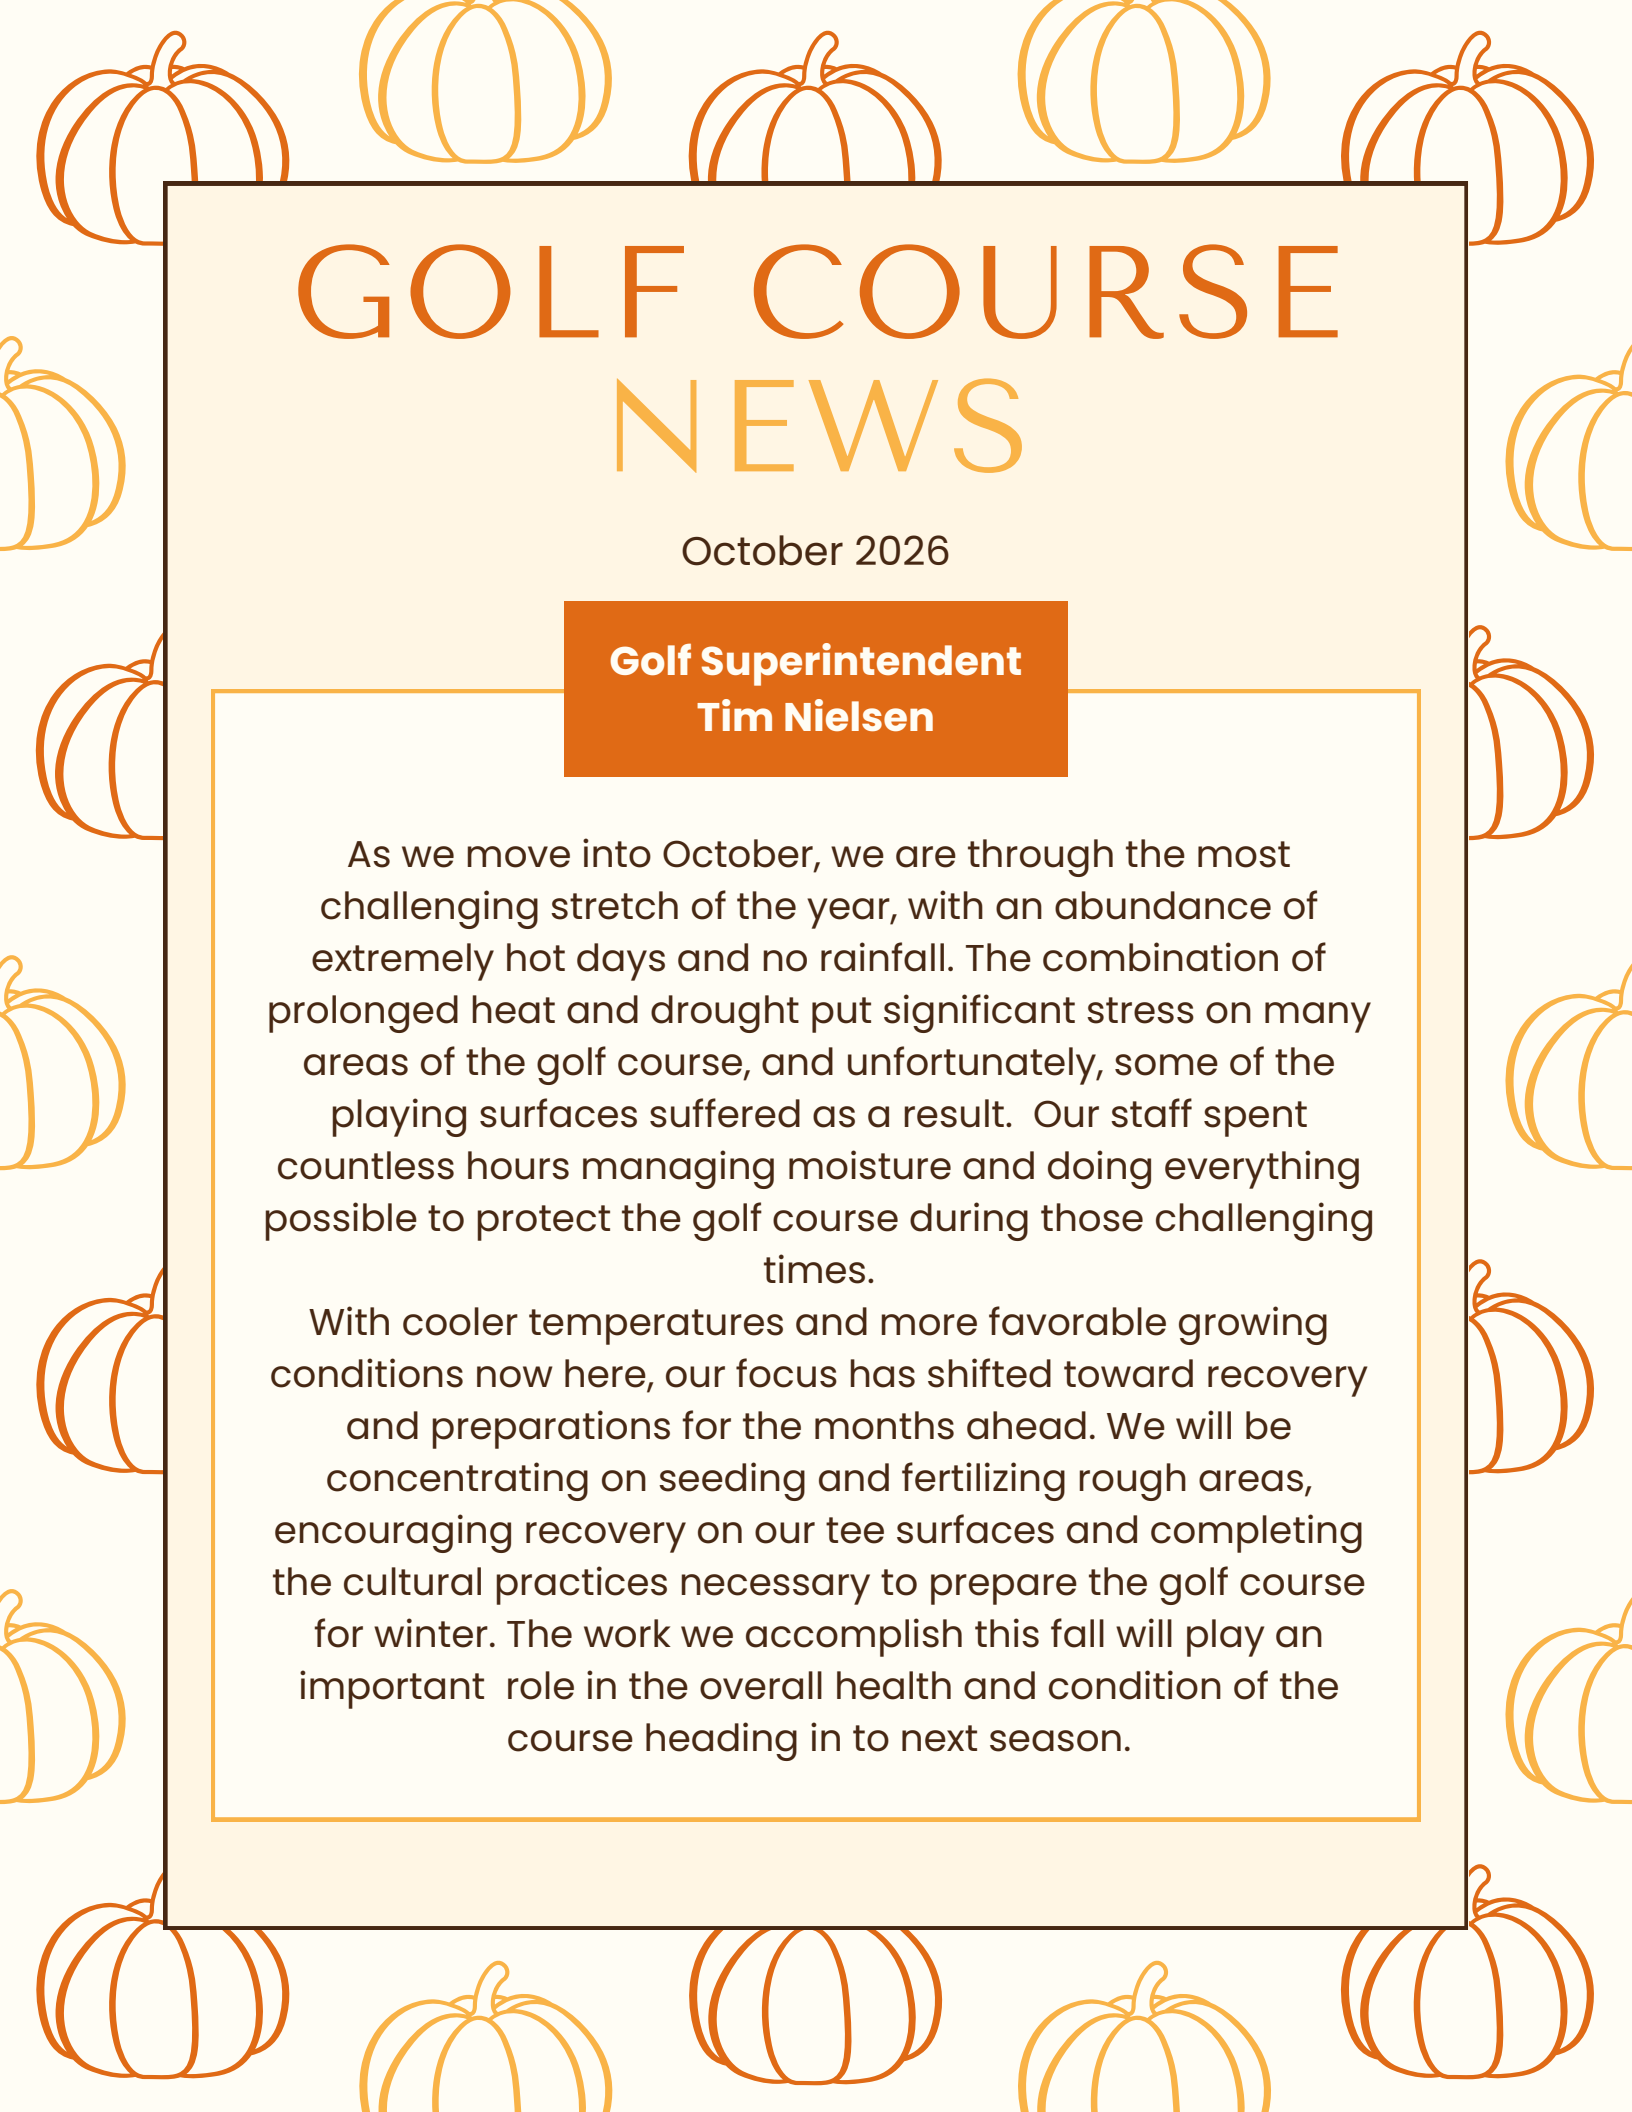

As we head into October, please keep the following operational adjustment in mind.:

Tee times adjustments:

Starting in October and running through November, tee times will move to **9:00**

AM.

Driving Range Practice: Due to turf conditions, driving range practice will be restricted to the **mats** until next spring to help preserve and protect the tee area.

The background of the entire page is a repeating pattern of orange-outlined pumpkins. A central white rectangular area with a thin orange border contains the main text.

GOLF COURSE NEWS

October 2026

**Golf Superintendent
Tim Nielsen**

As we move into October, we are through the most challenging stretch of the year, with an abundance of extremely hot days and no rainfall. The combination of prolonged heat and drought put significant stress on many areas of the golf course, and unfortunately, some of the playing surfaces suffered as a result. Our staff spent countless hours managing moisture and doing everything possible to protect the golf course during those challenging times.

With cooler temperatures and more favorable growing conditions now here, our focus has shifted toward recovery and preparations for the months ahead. We will be concentrating on seeding and fertilizing rough areas, encouraging recovery on our tee surfaces and completing the cultural practices necessary to prepare the golf course for winter. The work we accomplish this fall will play an important role in the overall health and condition of the course heading in to next season.
