Food and Beverage

Thank You, Jessica

After seven years of dedicated service Jessica Munce has resigned as Food and Beverage director. Jessica devoted countless hours, energy, and care to creating memorable experiences for our members and guests. Her leadership and commitment played an important role in the growth and success of our food and beverage operations.

Jessica's final day with the POA was August 30th, and we hope everyone will join us in expressing our sincere gratitude to her for her seven years of hard work and dedication.

Thank you

Moving Forward

As we move forward, Jodi Parris and Mary Wood will be leading the food and beverage team. They will be available to assist with questions, or concerns regarding food and beverage services during this transition. Additionally, Lena Blitz will be shifting her primary focus to clubhouse events.

If you have questions about an event that is already scheduled or would like to schedule a new event, please reach out to her directly at l.blitz@creekmoorpoa.com. She will be happy to assist with event planning and coordination. We appreciate your patience and support during this transition.

New Menu & Wine Tasting - September 1st!

Join us starting at 6:00 PM for an opportunity to sample six wines and help us decide which one deserves a spot on our upcoming Fall/Winter Wine Menu!

- 5 Red Wines + 1 White Wine
- Wine tasting is FREE with the purchase of a new appetizer or entrée
- Rating cards will be provided so you can rate your favorites

The highest-rated wine will be added to our Fall/Winter Wine Menu!

This is a first come, first served tasting due to limited wine availability, so we highly recommend arriving early to make sure you get a chance to participate.

From the Golf Course Superintendent, Tim Nielsen

As we work through another challenging Kansas City summer, the heat, humidity and changing weather have certainly put stress on the golf course. Our grounds staff continues to do everything possible to maintain healthy, quality playing conditions, but some effects of summer weather are unavoidable. The recent storm also added another layer of work, requiring our team to focus on cleanup while we became short-handed as several seasonal employees have transitioned back to school. We appreciate the extra effort from our staff as we continue to balance normal maintenance with the demand to get everything cleaned up.

As we head into fall, our focus will shift toward recovery and preparation for the next season. Greens and tees will be aerified September 8, 9 and 10, along with a variety of other important fall maintenance practices. While some of this work may create short-term inconveniences, it is essential to the long-term health and performance of the golf course. Fall is an important time to repair, improve and prepare for the year ahead and we appreciate everyone's patience and continued support as our team works through this transition.

Golf / Golf Shop

As we transition into late summer and look forward to the fall, I want to take a moment to sincerely thank you for a fantastic golf season so far. We know there is always a lot going on at the club, and the energy, participation, and camaraderie from the membership are what make this such a special place to play. We truly appreciate each and every one of you for your continued support and enthusiasm on the course this year.

Looking ahead, we are preparing for our annual fall aerification. Please note the following schedule adjustments:

Golf Course: Closed Tuesday, September 8th through Thursday, September 10th.

Golf Shop: Closed Tuesday, September 8th and Wednesday, September 9th.
Reopens Thursday, September 10th at 9:00 AM.

Driving Range: Opens Thursday, September 10th at 12:00 PM.

While we know this temporary disruption impacts play, it is a vital agronomic practice that ensures the long-term health of our turf as we head into the colder months and sets us up for pristine conditions next spring. Additionally, as the days begin to get a bit shorter, please note that our first available tee times will shift to **8:00 AM starting on Friday, September 11th.**

Thank you again for a wonderful season thus far, and we look forward to seeing you out on the links.

Enjoying the beautiful fall weather!

Best regards,
Joe Taylor
